Elk Springs Architectural Review Committee

Unit Owner Name(s): _____
Telephone No(s): _____, E-mail: _____
Filing #: _____ Lot #: _____ Address of Unit: _____

CONTRACTOR EXCAVATION APPROVAL (Required before any clearing and excavation can begin)

The following Conditions and Requirements have been met:

1. Pre-construction meeting has been held and all conditions of 2, 3 and 4 of the Certificate of Architectural Approval have been met.
2. All trees to be removed have been re-flagged (if needed).
3. Site and driveway stakes are still in place, or have been restored.
4. Green plastic fencing has been erected as needed.
5. Address sign and Exhibit J have been erected.
6. Toilet facilities are in place.
7. Benchmarks are still in place and visible.

Therefore, approval is given to begin construction activities.

Approval Issued by: _____ Date: _____
